To

The General Secretary to the

SIR,

I have the honour to inform you that as the state of the Aided Hindustani school at Budikote in Bawringpete Taluk was very unsatisfactory for years and the teacher was inefficient I stopped the monthly grant of Rs 7 to the school from the 1st September 1895 on the recommendation of both the Assistant Deputy ^{Inspector} and the Deputy Inspector of Schools. I recommend that an increase of Rs 7 may be sanctioned from Rs 22 to Rs 29 from the 1st October 1895 for the monthly grant-in-aid of the Aided Hindustani school for girls at Tumkur which is in a satisfactory state and is greatly in need of a larger grant for providing adequate pay for the teachers

Sir

With reference to Government Order No $\frac{6430}{28164}$ dated 3rd December 1895, I have the honour to inform you that the grant in aid of the Budekote Hindustani School in Bowringpete Taluk was sanctioned in 1876. The number on the roll of the school then was 25. The number present at the inspecting officer's examination was 12, 13 & 9 in 1893, 1894 and 1895 respectively, and the standard of instruction never rose above that of the lowest or infant class in these years. The Reports of inspections held on the 28th June 1893, 10 June 1894 and 15th June 1895 are herewith enclosed.

2 The grant-in-aid of the Hindustani Girls School, Trunkur was sanctioned from:

(6)

1st December 1890 ^(Or the 9th April 1891) At that date there were 50 girls on the roll. The number on the roll was 68, 48 and 62 in 1893, 1894 and 1895 respectively. The Reports of inspections held on the 28th February 1894 and 12th May 1895 are herewith enclosed. The school is maintained wholly from the Government grant, all subscriptions from the people having long since been withdrawn. Out of the present grant of Rs 22 the Headmistress and 2 Assistant mistresses are paid Rs 7 and 4 respectively and Rs 6 is paid for a cart. A Conductress is paid Rs 2-8-0 only. The mistresses and Conductress deserve to be paid more, and Rs 9 a month is required for a cart. The state of the school is satisfactory and the Committee takes great interest in its progress and welfare. Under these circumstances an increase of grant from Rs 22 to 29 was proposed in my letter no 2872 dated 30th 99 October 1895.

3 I request you will be good enough to return the five Inspection Reports enclosed when they are no longer required as they form part of the records of this office.
